List and describe their progress:

The Director continues to mentor the 8 pre-apprenticeship students, talking to employers. All employers have been set up and contracted and are documenting workers attitudes, work ethic, skills, etc. We are set to soon have our next student and employer meeting.

The Director is waiting on replacing the retired coordinator because the needs have changed. Will resolve issue with Corlei.

The 4-wk short term vocational classes continue to be a popular, filling each time offered. In Spring we will offer the 2nd (intermediate) series of them. (The first series: CT NC 001 Construction Framing, CT NC 002 Construction Finish Carpentry, CT NC 003 Construction Electrical, CT NC 004 Construction Plumbing. The second, more advanced, series is CT NC 011 Intermediate Construction Framing, CT NC 012 Intermediate Construction Finish Carpentry, CT NC 013 Intermediate Construction Electrical, and CT NC 014 Construction Measuring and Estimating.)

The timeline of activities should reflect expenditures by this deadline. Please describe your efforts to expend these funds. Examples include hiring faculty and/or faculty, narratives, programmatic committee meetings, purchasing of supplies...

The Pre-apprenticeship program is full, and we will not be admitting a new cohort until next year. If students drop out for any reason, we will advertise the opening in our existing classes, and if needed put flyers around 3 campuses.

We will be continuing advertising for the short-term vocational courses on local Spanish radio and TV.
